**Employment History:** Sept 2002 - Present  
Freelance

In my spare time I often take on freelance jobs mostly for logo and web design projects. Whilst at university I produced flyers, posters and logos for various club nights around the city.

Oct 05 - Nov 2011

Half Moon Bay Limited, 5 - 7 Pulteney Mews, Bath, BA2 4DS

Half Moon Bay are a manufacturer and distributor of licensed gift ware with a focus on retro and iconic imagery from music, film and T.V. I joined the company as a junior designer creating artwork for products and packaging, and progressed to middleweight designer, responsible for marketing material, web banners, email newsletters and a redesign of the company's retail website Pulp Shop.

July 05 - Dec 05

Oxigen, 21 Arlington Street, London, SW1A 1RN

I worked with Oxigen to produce several animated screensavers for use in offices and universities.

**Computer Skills:** I am proficient in the full Adobe Creative Suite including Photoshop, Illustrator, In Design, Dreamweaver, Flash and After Effects. I also have experience in hand coding html, css and using Wordpress.

**Pastimes and Interests:** In my spare time I enjoy experimenting with graphics and photography. I follow the design scene quite closely and enjoy reading design books and magazines and following blogs. I also enjoy surfing and playing the guitar.

**Referees:** Available on request.
